

Boys & Girls Club of New Haven

~ where kids come first ~

At the Boys & Girls Club of New Haven, we serve with one purpose, to inspire and enable young people, especially those who need us most, to realize their full potential as productive, responsible and caring citizens. We provide the resources and support to enable every young person who comes through our doors to BE GREAT!

We invite you to join us this year in celebrating the Boys and Girls Club of New Haven's 140th birthday at our 2011 Wine & Jazz event! Our legacy in the community is far reaching. We are drawing upon that tradition to ignite the future, with the kids and families we serve remaining at the heart of everything we do. We will commemorate this historic birthday throughout the year to highlight the Club's mission and enduring spirit.

We have a lot to celebrate this year – a growing membership, impactful programs, engaged parents, a talented and committed staff, an energized board and new corporate and community partnerships. Because of our dedicated staff and trusted youth development programs, we are truly impacting the lives of young people. Each day the kids at the Club continue to inspire us, overcoming the odds and demonstrating excellence in academics, athletics and character.

We provide each child who comes to the Club with the tools to make positive choices and succeed in school and in life. But we cannot do it alone. We need the support of caring people and community leaders like you. One gift from you can open the door to a brighter tomorrow for more of our children. And that means a brighter tomorrow for us all.

Come celebrate with us on Tuesday, May 3rd and help us to continue our legacy of inspiring kids to BE GREAT!
